

Reid Ranch on Red Creek

WAIVER OF CLAIMS AND ASSUMPTION OF RISK AGREEMENT

I fully understand that horseback riding can be a dangerous sport. I know that there is a possibility that I could be injured or killed. I hereby voluntarily assume any and all risks, including injury to my person and property, now or in the future, which may be caused as a result of my riding these animals or that may be caused by the negligence of REID RANCH, or both of them.

In consideration for permission to ride the horses, I hereby voluntarily release, waive, and discharge REID RANCH from any and all claims, demands, and causes of action of any nature whatsoever which I, or my spouse, family assigns, or successors may have against either or both of them, for, on account of, or by reason of my assumption of this risk. Helmets are required.

I acknowledge that I am not suffering from any physical impairment which would affect my ability to ride the horses, nor am I suffering from any physical impairment which makes it more likely that I may be injured by riding the horses.
